Literature

- The small selection of books in your room is available to you during your stay.

- Additional books, current bestsellers and the literature brochure “Unsere Autoren Gäste” (“Our guest authors”) are available for purchase.

E-Bike Loaning and riding

- Late model quality bicycles from Kalkhoff

- Explore the city and surroundings unhindered.

Green City Freiburg
We feel an obligation to the cultural landscape of Baden and the protection of the environment. This is partly achieved by operating a combined heating and power plant, using power-saving LED lighting and additional measures for saving resources without limiting your comfort.

Also ask at the reception about loaning our classic city bikes!
